FBBG 2012 Highlights

- We closed 2012 with a balanced operations budget.
- Throughout 2012, we progressed with our *Silent Campaign* for debt retirement. This pursuit was a separate effort, conducted apart from FBBG General Operations.
- We facilitated our 3rd year of recruiting community volunteers and Master Gardeners for Boerner garden staff support; 447 volunteers joined us in 2012 vs. 225 in 2011.
(We won original County Parks approval for this initiative in July, 2010.)
- Rain Water Harvesting Initiative:
 - We received the \$10,000 *Rainbird Award* for the expansion of Boerner irrigation systems, begun with the MMSD \$100,000 grant in 2009.
 - We were awarded a grant from the Green Tree Garden Club, helping us continue to expand this initiative with user friendly features and signage – teaching homeowners how to conserve water in their own gardens and yards.
- We facilitated the renovation of our historic *Woman & Boys* statue (1939) in the Perennial Mall.
 - This project was made possible by long devoted members of our donor family.
- We delivered plant science and environmental education to over 17,000 K >12 students...a 6% increase vs. 2011.
- We introduced *Adopt-A-School*, a 3 session, donor supported, plant science program for public school students. This new program joined *Plant Hope* for 3rd grade students (now in its 7th year) and *Planet Hope* for middle school > high school (now in its 2nd year).
- We planed and facilitated our first *Student Showcase*. MPS students welcomed donors, MPS administrators and community members...sharing their year-long science learning in FBBG classes at Boerner.
- We facilitated our 3rd consecutive *Melinda Myers Garden Walk Series* which included the 2nd annual Boerner *winter walk*. Participation for the series grew 16% vs. 2011 attendance.
- We planned and facilitated our tradition of classes and special events for adults and families.
- Whitnall Park Rotary Foundation...we began a partnership supporting the WPR ADA initiative in process at Boerner.
- As a result of a grant from the Non Profit Management Fund, we upgraded our computer software and hardware insuring long term reliability of our operational systems.
