Friends of Boerner Botanical Gardens presents...

Global Garden Adventures

DAY CAMP

Chinese Culture Meets the Garden
Sessions: June 16, 17 & 18 | July 14, 15 & 16 | August 4, 5 & 6
Experience the connection between Chinese culture and nature. Campers will explore the gardens through Chinese music, movement and art activities. They will learn plant and other botanical words in Mandarin and discover plant uses within traditional Chinese culture.

Going Buggy!
Sessions: June 23, 24 & 25 | July 14, 15 & 16 | August 4, 5 & 6
Uncover all things creepy-crawly. Through hands-on exploration, games and activities, campers will discover why bugs are so important to our ecosystem and learn how to identify which little pests they should stay away from and why.

- Sign up for a single day or register for a full week-long session!
- **Weekly Rates:** $50 FBBG members
  -$65 general public
- **Daily Rates:** $20 FBBG members
  -$25 general public
- 9am-Noon | Tues, Weds & Thurs
- Materials & a nutritious snack included in registration fee!
- Pre-registration is required

Global Garden Adventure information:

Age Limits
Campers must be the appropriate age on or before the day their camp session begins (ages 6—12 years old).

What to Bring
Children will be outdoors and involved in interactive activities during the programs. We strongly recommend that campers bring a water bottle to stay well hydrated.

All clothing should be marked with your child’s name. Your child should wear clothes that are comfortable for outdoor activities and hands-on (occasionally messy) fun!

Weather
Camp Boerner utilizes the natural environment of the Gardens as much as possible. Your child will spend a portion of the camp outside, weather permitting. During extremely hot or inclement weather, camps will move indoors. Please send your child with appropriate weather gear if the forecast calls for rain.

Special Health Needs
If your child has special health needs please make us aware upon registration. It is the parent’s responsibility to provide all necessary information and/or medications (i.e. epi pens, allergy medications, etc.) to the Friends of Boerner Botanical Gardens prior to your child attending Camp.

Snack
We provide a healthy, peanut-free snack for all camp attendees. If your child has food allergies, please make us aware upon registration. We regret that we are unable to provide special snacks; if your child has food allergies that may prevent him from consuming the provided snack, please pack an alternative.

Accessibility
The Education & Visitor Center and most of the grounds are ADA-compliant. Handicapped parking spaces are available in the parking lot. Wheelchairs are available.

Staffing
In order to provide the best possible experience, all camps are limited to 15 campers per session. Camps are led by Friends of Boerner Botanical Gardens staff and qualified teachers, with assistance from volunteers.

Visit our website for up-to-date information and to view our event/class schedule!
